Speaker 5: *Let me take my glasses off so i can look, look at you.*

[05:48 PM / 03:30]

Speaker 3: *So you have his license plate number, i guess now.*

[05:49 PM / 03:38]

Speaker 5: *So,*

[05:49 PM / 03:39]

Speaker 3: *Or is that*

[05:49 PM / 03:41]

Speaker 5: *Okay? So i'm trying to, i wanna show you this email so you can read it, see it yourself so that it can give you a little bit more c*

[05:49 PM / 03:49]

Speaker 3: *If you wouldn't mind just give me the cliff notes.*

[05:49 PM / 03:51]

Speaker 5: *Okay? I can do that*

[05:49 PM / 03:52]

Speaker 3: *Because i'm pretty sure this doesn't have any can do with louisville police department, right? Uh,*

[05:49 PM / 03:55]

Speaker 5: *No, i, i don't even know where, where am i at my louis?*

[05:49 PM / 03:58]

Speaker 3: *You're in louisville. I*

[05:49 PM / 03:58]

Speaker 5: *Know. I don't know,*

[05:49 PM / 03:59]

Speaker 3: *You were in louisville.*

[05:49 PM / 04:00]

Speaker 5: *So lemme tell you what happened.*

[05:49 PM / 04:01]

Speaker 3: *So and what? Whatever problems you have. I don't want any more problems. So i don't*

[05:49 PM / 04:05]

Speaker 5: *Want any more problems either. I'm gonna be honest with you, so okay. So i contacted you. Okay. This is what happened? So, uh, about a month and a half ago, i was on my way home from work. Yeah. And so i'm driving down the street over in dallas on cross road.*

[05:49 PM / 04:22]

Speaker 3: *Okay.*

[05:49 PM / 04:22]

Speaker 5: *Which is like dallas, uh, plano carrollton. Borderline. Okay. Long story short, i'm driving, i'm minding my business, whatever. This guy is on a motorcycle and he was hogging the road. Literally, it's a two lane road with two uh, two lanes that have a split lane. Split indicates that it's two lanes. He's driving in both lanes. I'm on my way home from work. You're hogging both lanes. You're on a motorcycle. So i went around him. He got so infuriated that i went around him that when we got to the light, he was behind me. He got off of his motorcycle, came up to my window, started banging on my window. Started yelling and screaming at me. Cursing me out calling me bitches holes. Niggers. Fuck you in the middle of traffic.*

[05:50 PM / 05:10]

Speaker 3: *Okay.*

[05:50 PM / 05:10]

Speaker 5: *Officer ll and i ha the police.*

[05:50 PM / 05:14]

Speaker 3: *Can you can you hold us off for just a minute? No problem. My partner showed up. I want to just fill him in on my plan here*

[05:50 PM / 05:26]

Speaker 6: *With me the whole day.*

[05:50 PM / 05:28]

Speaker 3: *So i'm getting it all sorted out. I just need a few minutes and i wanna, the main problem i think is on this end and i wanna just get it resolved and then we'll explain everything to you. All right. That's fine. So yeah, just no, you just wanna hang out. And uh, the main thing is, we'll just keep him back here and her up there and i'll do my little thing and get it smoothed out. And in the end she's gonna go on about her business and you're gonna go on about safely going home. Appreciate it. At least that's my plan. Yeah. All right. Okay. So you were telling me your story about this terrible stuff that happened. Basically a road rage kind of thing that involved dropping inwards and stuff. Yes. Yeah. Okay.*

[05:51 PM / 06:11]

Speaker 5: *And i got a picture of this license plate at the time. Okay. About the police. And i even told cause he's*

[05:51 PM / 06:17]

Speaker 3: *Like, i'm a police and it's like this motorcycle, i guess this, this,*

[05:51 PM / 06:20]

Speaker 5: *I got the picture in my phone. Okay. And i can show it to you.*

[05:51 PM / 06:23]

Speaker 3: *I believe you and*

[05:51 PM / 06:23]

Speaker 5: *What it was is that when he came to my car, i'm like, dude, you're tripping. And he started yelling about, i'm a police officer, y'all, i'm a fucking police officer. I'm like, i don't what? I'm like, you don't you're are your wife's arrest me or something. Okay. Cause he's on that with his motorcycle gear on. He looks just like that, which is how i found him.*

[05:52 PM / 06:43]

Speaker 3: *Okay.*

[05:52 PM / 06:43]

Speaker 5: *He looks like identical to what he looked like when it happened. Okay. And i said, so if you're a police officer, there is no way you should be up at my car like this off of your vessel and*

you're cursing me out and you're screaming. Okay? And i said, so give me your name, what's your name? I said, i'm calling the authorities right now. Fuck you, you bitch, you nigger, fuck you. And then i got out of my car. Okay. So i could get a picture of his license plate cuz he was behind me. Okay. Okay. Cause he is behind me and i am on the phone calling the police and he hard ass somebody there.

[05:52 PM / 07:20]

Speaker 3: *Okay.*

[05:52 PM / 07:21]

Speaker 5: *So while i was on the phone, i made the complaint with the police. Okay. And they took the complaint and all that good stuff and the information or whatever. Okay. And of course, you know, it takes time for it to matriculate through the system about a week and a half. Well, not a week. Let's see. October 18th is when i got a letter from the internal affairs division, mr. Eddie garcia, which is the chief of police,*

[05:53 PM / 07:46]

Speaker 3: *I was gonna say he's not, yeah, he's the ball because*

[05:53 PM / 07:48]

Speaker 5: *This*

[05:53 PM / 07:49]

Speaker 3: *Is, i've seen a picture of him. So right,*

[05:53 PM / 07:50]

Speaker 5: *This is the big deal because this is the off-duty officer and he's harassing a citizen in a racist and sexist.*

[05:53 PM / 07:58]

Speaker 3: *You don't need to. You're absolutely right. I don't, you don't need to explain any of that. You're absolutely*

[05:53 PM / 08:01]

Speaker 5: *Right, right. Cause you*

[05:53 PM / 08:02]

Speaker 3: *Get, okay, so you get a letter and and he,*

[05:53 PM / 08:04]

Speaker 5: *They, they tell me in this letter that in order for us to, they said, you submitted a complaint, blah, blah, blah, September 20th. That's the day that the incident happened. We need more specific information such as the officers description, photograph, badge number, the officer, any specific details that we can use to identify him with a service number.*

[05:53 PM / 08:30]

Speaker 3: *Okay. And and you got his license plate?*

[05:53 PM / 08:32]

Speaker 5: *I got his license plate. Okay. And i provided his license plate. Okay. This is what they gave me in return. Okay. So after me giving them the information that i had, which is he's in the iron mountain motorcycle club or something. Cuz i, i have a i, i researched this, this. Okay. And i provided all that information along with the uh, copy of the picture that showed the vessel and everything. And they came back saying we still need x, y and z. So when i saw him today, i said, no way.*

[05:54 PM / 09:09]

Speaker 3: *Okay, i'm not*

[05:54 PM / 09:10]

Speaker 5: *Gonna accost him. I'm not gonna do what he did to me and get outta my car and go y in and screaming. Okay. But i am going to contact the authorities and i'm going to see how we can get this him, but because he's a police officer, he sees me behind him. And so when we got right here, he jumped into his self and he turned over and he says, do you live in this neighborhood?*

[05:55 PM / 09:37]

Speaker 3: *Okay.*

[05:55 PM / 09:38]

Speaker 5: *And i said,*

[05:55 PM / 09:40]

Speaker 3: *He knows the answer is you don't that you were following him. What do you,*

[05:55 PM / 09:44]

Speaker 5: *I got my car. I got my windows up. So i'm not saying anything. I'm literally just sitting here. Yeah. And so i said, call, the police is what i said, cuz i'm not gonna interact with you. I'm not gonna roll the window down and let you see who i am, but i am going to say, call the police and because he feels that i'm doing something wrong this time, he's not gonna pull off and leave like you did lasting, so i can't get his information. So with him contacting the police, it brings about a record and a report and a number that has his information, my information in which i can refer back to being provide to the internal affairs department so that they can look further into this situation that happened back in september. All right, that they were unable to resolve without my assistance. So*

[05:55 PM / 10:35]

Speaker 3: *This is what we're gonna do. I'm gonna give you my name and everywhere we go, we're, i'm on duty and i'm legitimate. I document what i do, right? I'm gonna give you a number that'll you can either you or your lawyer or plano police department can do open records requests and you can get my documentation of this incident and uh, anybody can do that. It's the subject to open records laws. Correct? Right. And the plano police department knows this cuz they have the same rules we have. Perfect. So i'll give you my name and my call for service number for today. You can take that to plano police department. You can go to lewisville police department and get whatever you want to get. And then take that to the plano police department, whatever you think is best perfect. If you're satisfied with that and you'll go on about your way, i'll explain to him that you're going on about your way and explain to him at least some reason why you were following him and, and we can talk about that. Um, i don't know if i want*

[05:56 PM / 11:33]

Speaker 5: *You to*

[05:56 PM / 11:33]

Speaker 3: *Explain it. Well, i, i get that. That's why that's why i said we could talk about that. Okay. But you to*

[05:57 PM / 11:40]

Speaker 5: *Know this part. Cause i have a different, i was in a different car at this time.*

[05:57 PM / 11:43]

Speaker 3: *Okay. So*

[05:57 PM / 11:44]

Speaker 5: *That's why he knew it was*

[05:57 PM / 11:45]

Speaker 3: *Me bear with me for minute. Bear with me. I'm here to help. Okay. I, i*

[05:57 PM / 11:49]

Speaker 5: *Apologize. I'm just a little excited right now.*

[05:57 PM / 11:50]

Speaker 3: *My, yeah, i just, we can't both talk and listen at the same time, so i got a plan and it's i, i think it's good plan and, and i wanna make sure we get it all worked out. All right. So, um, i'm gonna give you what what we talked about and i need to send him on his way. All right. And that, and here's the thing as a police officer that goes off duty in a little bit, i'm gonna go home. All right. Police officers have been followed home and killed. All right. That's happened. That's a real thing. And i'm not defending anything he may or may not have done with you today or any other day. I'm just speaking as a police officer. This is a real thing that we're concerned about whatever he did, whether it's justified or not, i don't have an opinion on that. Uh, um, i can tell you, i have opinion on inwards and and such, uh, in road rage in general, especially off duty police officer. Yeah. That's what's disturbing the following people. That's a legitimate thing, right? People have died. People's family members have died because of their job. And we would agree that that's not right also. Right. I attempted*

[05:58 PM / 13:05]

Speaker 5: *To resolve this in another one.*

[05:58 PM / 13:06]

Speaker 3: *I understand. I*

[05:58 PM / 13:07]

Speaker 5: *Was, and this was today. I understand, but i was shut down.*

[05:58 PM / 13:10]

Speaker 3: *I understand. And i'm saying,*

[05:58 PM / 13:11]

Speaker 5: *I'm just, i'm a woman*

[05:58 PM / 13:14]

Speaker 3: *And you don't have to justify that either. I'm on the same page as you are, so we need to explain to him cuz he doesn't know who you are, what's going on. So we need to tell him something. What do you want me to tell him?*

[05:58 PM / 13:27]

Speaker 5: *Um, you can tell him that this is a case of mistaken identity.*

[05:58 PM / 13:34]

Speaker 3: *Okay.*

[05:58 PM / 13:36]

Speaker 5: *And that i thought that he was someone that he was not. Okay. And my sincere apology for any inconvenience that i may have caused them today.*

[05:59 PM / 13:48]

Speaker 3: *I'm good with that. Right? All right. I'll be back in a minute. Sure.*

[05:59 PM / 13:52]

Speaker 7: *No problem.*

[05:59 PM / 14:00]

Speaker 3: *Just about done*

[06:00 PM / 14:37]

Speaker 8: *One bravo 35 copy a traffic hazard intersection of lakeway driving these corporate. We're gonna be looking for an 18. We would've died in the intersection. It has a fully loaded trailer. Um, it's apparently a transmission issue. They can't get the vehicle off the road,*

[06:00 PM / 15:09]

Speaker 3: *But i'm gonna send her on her way and then i'll, i'll explain everything to you. All right. Sounds*

[06:00 PM / 15:12]

Speaker 2: *Good.*

[06:00 PM / 15:15]

Speaker 3: *We'll tell them we're good. All right. Okay. What is this? I'm gonna do exactly what we talked about. Okay. And uh, i'm*

[06:00 PM / 15:25]

Speaker 5: *Gonna start my power up. Just wanna get some light in here.*

[06:00 PM / 15:27]

Speaker 3: *You're good to go on about wherever you were going before. This all went down. I,*

[06:00 PM / 15:31]

Speaker 5: *I went on. That's*

[06:00 PM / 15:32]

Speaker 3: *All right. I, you get uh, satisfactory resolution with internal affairs. You know*

[06:01 PM / 15:37]

Speaker 5: *What? I'm gonna tell you something honestly. I hope so too. Cause i, you have the band or with the people that are not, it causes more detriment. Makes your job partner.*

[06:01 PM / 15:56]

Speaker 3: *I got a feel n wfaa is gonna have something about our agency tonight in the news. So i understand. Yeah.*

[06:01 PM / 16:03]

Speaker 5: *Cause i'm, i'm serious. It's like you,*

[06:01 PM / 16:05]

Speaker 3: *I'm serious too. Tonight's news is gonna have louisville police department. I'm curious, cause there's people that do things they shouldn't do and some of them are tough, i'm saying,*

[06:01 PM / 16:14]

Speaker 5: *And, and this is the thing, so i don't know, and this is what i was thinking, right? Cause i, i don't know if i said, i'm in front cause i'm driving i,*

[06:01 PM / 16:21]

Speaker 3: *But you look at the news tonight and you'll see what i'm talking about. Well, just since*

[06:01 PM / 16:25]

Speaker 5: *I was driving out here and i was driving, i said, and i was driving driving so far. I said why he, when he in he cin of he would randomly act out and it would not, it would be no problem. It wouldn't come mental. And, and that's literally, and i'm like, i couldn't believe it when i just saw this dia, i can literally show you my phone with or*

[06:02 PM / 16:54]

Speaker 3: *Something. That's not*

[06:02 PM / 16:56]

Speaker 5: *The picture of him. I was. So he scared me so bad. It was so scary. People were like running the life trying to get away. Cause they couldn't believe that he got out of his car in the middle of a traffic.*

[06:02 PM / 17:12]

Speaker 3: *I come back to wishing you get satisfaction with your internal affairs investigation and that you can get home safely, so, and he's gonna do the same. Okay.*

[06:02 PM / 17:21]

Speaker 5: *Now let me ask you this question. Yep. Is his, i know both of our information is going to be*

[06:02 PM / 17:27]

Speaker 3: *Both of y'all call 9 1 1. Yes.*

[06:02 PM / 17:29]

Speaker 5: *So will his information be affixed to this?*

[06:02 PM / 17:33]

Speaker 3: *What you can get under open records? I don't have any control over as far as details of personal information. Some of that stuff legally has to be redacted. I don't have any idea. Cause*

[06:03 PM / 17:47]

Speaker 5: *That's what the issue is.*

[06:03 PM / 17:48]

Speaker 3: *Okay. You got his license plate number. That's here. I'm show. You're gonna have whatever you're entitled to.*

[06:03 PM / 17:57]

Speaker 5: *This is the email from the,*

[06:03 PM / 18:00]

Speaker 3: *I believe. Yeah.*

[06:03 PM / 18:01]

Speaker 5: *And what i'm saying is that they're to, so i need something to identify him.*

[06:03 PM / 18:09]

Speaker 3: *Maybe you get more out of that. I don't have, i don't know the laws about open records. It's a freedom of information act. It's a federal law, i think. Okay. I'm not a lawyer and i don't know much about federal law. I'm a cop. All right. I understand. I don't want to tell you something and have it not be true. I understand it's, i would rather say, i just don't know. Okay. I don't know what you can legally get from what i'm giving you, but that's what i can give you and i'm encouraging you handle business and get justice and i*

[06:04 PM / 18:43]

Speaker 5: *Appreciate*

[06:04 PM / 18:44]

Speaker 3: *That. All right, ma.*

[06:04 PM / 18:45]

Speaker 5: *Thank you so much officer. You safe out here and have a wonderful day.*

[06:04 PM / 18:49]

Speaker 3: *Okay. Thank you ma'am. All right. So*

[06:04 PM / 19:01]

Speaker 1: *This is me.*

[06:04 PM / 19:02]

Speaker 3: *That's me <laugh>. Um, i guess we'll just say this is a mistaken identity thing. Okay. I think, but i don't, i don't know if i believe that. So you know she was following you, right? She thinks she knows who you are and she thinks that you did her wrong in the past and she knows that you don't recognize her. She was in a different car or some other scenario. Okay. And she's trying to do the right thing. She's not trying to fall you home and mess with you or your family or anything. She's trying to do what she thinks is. Right. Okay. So she's, uh, what department you work with?*

[06:05 PM / 19:50]

Speaker 1: Addison.

[06:05 PM / 19:52]

Speaker 3: Okay. They may know more. I don't know. It's something she knows you're a cop. Yeah. And

[06:05 PM / 19:59]

Speaker 1: Well, i was telling him i had a month or two ago, a chicken, a white mustang nearly took me out on vos and then sped off ran the stop sign. And i pulled up next to her at the light at frankford, the same one today that she went straight from the turn only land. Okay. Which caught my attention.

[06:05 PM / 20:18]

Speaker 3: So that's probably, and

[06:05 PM / 20:19]

Speaker 1: I threw up my hands,

[06:05 PM / 20:20]

Speaker 3: The same lady and

[06:05 PM / 20:21]

Speaker 1: She flipped me off. I said, what the fuck's your problem? And i said, you almost killed me. I said, don't drive like an asshole, you stupid bitch. And yeah. And then she got out laid on her car and the light turned green and i took off. So i dunno if that's the same. That's my guess. That's the only thing i can think of.

[06:06 PM / 20:40]

Speaker 3: I didn't want to get into all the details. Okay. The bottom line is she's not trying to do anything. Okay. Her hurt anybody. She absolutely was falling you. Okay.

[06:06 PM / 20:53]

Speaker 1: Right. Well,

[06:06 PM / 20:53]

Speaker 3: I, but she thought she was doing the right thing and okay, i think you're on the right track with whatever went down. Yeah. A couple months ago, cuz she was telling me it was a couple months ago stuff too. So, okay. Whatever that is, is probably what today is. So

[06:06 PM / 21:08]

Speaker 1: She, i guess what's her? What's her goal?

[06:06 PM / 21:13]

Speaker 2: I

[06:06 PM / 21:13]

Speaker 3: Mean, she claimed, i don't even know what department you said you were working with addison addison. So yeah, i don't even, i think she thinks you're a cop somewhere else or something. I think she's working with some internal affairs. She told me she's working with some internal affairs, but i don't think it's your departments. I think she think's your a cop somewhere else and she's like filing a complaint or something. So

[06:07 PM / 21:37]

Speaker 1: Okay.

[06:07 PM / 21:38]

Speaker 3: But this may happen again.

[06:07 PM / 21:43]

Speaker 1: <laugh>. Fantastic.

[06:07 PM / 21:44]

Speaker 3: *I don't know. Okay. But at least you know, she's not trying to like do anything to you or your family. Right? She's just trying to get what she thinks is justice. Cool. And it's, she's trying to do the right thing, what it sounds like to me. All right. Now, following cops, not*

[06:07 PM / 22:02]

Speaker 1: *A good idea*

[06:07 PM / 22:03]

Speaker 3: *And you know, traffic violations and all that stuff. And i, and i talk with her about that too. I'm like, i'm a cop and here a minute i'm fixing to be off duty. Right? And people have been followed home and their families messed with and, and they've been killed and all that stuff that's happened and whatever her perceived issue is, i don't have an opinion and i'm involved in it, but that's a real thing that i can relate to. Right. So, and she's agreeing and she apologizes and, and she seemed very sincere about that. She's not trying to, well, like*

[06:07 PM / 22:36]

Speaker 1: *Then it may not be the same chick because that chick was,*

[06:08 PM / 22:40]

Speaker 2: *Oh*

[06:08 PM / 22:40]

Speaker 1: *Dude, she argued and yelled. And*

[06:08 PM / 22:44]

Speaker 3: *This lady didn't give me a hard time at all. You know? I don't know, but i also didn't meet her in the conditions. You met her rat. Um, and she knew oh*

[06:08 PM / 22:54]

Speaker 1: *Yeah, good point.*

[06:08 PM / 22:56]

Speaker 3: *My call taker told her and i pointed it out. So, and maybe she's putting on a a better show now that she knows she needs to behave. So yeah, i don't know. But either way you can safely go home now. Cool. And uh, now you know, another car to keep an eye on on the following you. Okay. And uh, good for you for picking up on it. Oh*

[06:08 PM / 23:14]

Speaker 1: *Dude. That's why i was telling him she got my attention, but people go straight in that turn lane all the time. So when she got behind me i was like, nah, no big deal. And then at midway and i was like, let me, let me change lanes real fast to the far side and then she would follow. Yeah.*

[06:08 PM / 23:32]

Speaker 3: *Yep.*

[06:08 PM / 23:32]

Speaker 1: *And then i got to 5 44 from midway and dude, i punched it and i, i hold ass and i got up to about 55 and she stayed back there and i was like, okay, maybe it's just a flute. And then i look at my mirror, she's right there where the fuck does she come from? And then i coming down 5 44. I was in lane one far inside till the last minute. And then i cut over to get into the turn lane and turned it into the yeah. Well i,*

[06:09 PM / 24:01]

Speaker 3: *She's clearly following. Yeah.*
